

الشريك الإستراتيجي للنمو DIRECTORS' REPORT AND MANAGEMENT DISCUSSION Strategic Partner for Growth

The Directors hereby present their 40th Annual Report together with the Audited financial statements for the year ended 31 December 2020.

The prevailing COVID-19 Pandemic has created an unprecedented situation throughout the globe. All mankind, business both at domestic and international levels, are passing through a critical phase, your company is no exception to it hence has suffered significantly. RCC revenue was maintained however profitability took a severe hit.

Statement of Main Business: The parent Company is in the business of manufacturing and selling of cement and clinker. It sells directly and through its terminals in Sohar and Duqm, also through its subsidiary company in Sohar and associated company in Yemen. The parent Company produces most of the varieties of cement like OPC, SRC, PLC, OILWELL, Pozzolana, and GGBC cement. OPC constitutes the bulk of the cement sale. The parent Company has an integrated plant at Salalah.

It has few subsidiaries companies of which five 100% subsidiaries, namely Pioneer Cement Industries LLC in RAK, UAE, Sohar Cement Factory LLC in Sohar acquired during the last year, Raysea Navigation SA, Duqm Cement Factory LLC in Duqm, RCC Trading DMCC in UAE, 75% shareholding in Raysut Maldives Cement Pvt. Ltd. acquired during the current year and 51% subsidiary Raysut Burwaqoo Cement Company LLC.

Further, during the last year, two 100% subsidiary company namely RCC Holding Company Limited, RCC Trading DMCC and one 55%, RCC MSG Somaliland Cement Holding Limited formed. All these new companies are our subsidiary companies.

Further, RCC Trading DMCC has invested in Raysut Cement Trading Madagascar (a subsidiary company), Raysut Cement Trading (Zanzibar) Ltd (an associated company) and Raysut Cement Trading (East Africa) Limited (an associated company).

Pioneer is an integrated cement plant producing and selling cement in UAE and in export market. Sohar Cement Factory LLC is grinding unit engaged in manufacturing and selling cement in Sohar, Muscat and north of Oman, Raysut Maldives Cement Pvt. Ltd. is cement terminal in Maldives and RCC trading DMCC is in UAE, engaged in trading activity of cement related products and Duqm Cement Factory is in the process to establish a Cement Grinding Unit in Duqm with a production capacity of seven hundred and fifty thousand tons of cement per annum.

Raysea is a shipping company dealing with distribution of cement to terminals.

We have one associate company Mukulla Raysut Trading and Investment Company in Yemen with 49% ownership and is dealing with sale of cement produced by the parent Company.

Expansion Opportunities and Risks: The Company always is on the path of expansion or modifications so as to remain active in its operations with higher productivity. Also, we are going to launch new cement types in OPC and PLC range to cater to new markets in India and Europe.

Parent Company, is exploring all possible options to restrain cost so as to tide over the situation on one hand, and expanding domestic market as well exploring new markets in export region on the other.

FINANCIAL RESULTS

The construction sector growth is mostly driven by public spending, and the region as a whole is under pressure due to global situation as well as oil price variation.

There have been severe competitions across the markets coupled with socio political disturbances in Yemen. Unabated supply of cement from UAE due to surplus capacity and price decline there, has caused dent on price and volume sales in the Northern markets in Oman in particular.

CEMENT DEMAND PROFILE

During the year, the demand for cement improved in Oman due to increased construction activities in Al Wousta region. However excess capacity led UAE producers continued supplies at substantially lower prices making the situation very competitive for domestic producers. In export-market our efforts with a changed price strategy to establish our brand of cement is reflecting positively with higher sales. In the years to come we expect to firm up our prices with an established customer base.

MARKETING:

The parent company continued facing the competition in the northern markets from the supplies from UAE at low prices, still managed to maintain a market share in Oman. Due to socio political disturbances in Yemen, the parent Company's sales slashed in current year as compared to last year and other export market witnessed a growth of 31% as compared to last year.

In UAE there were excess capacity led competitions and Pioneer continued sales there at competitive prices. On the whole, the period ahead is challenging for the Company and the management is hoping to improve

its market presence with fierce marketing strategy, pursuing the opportunities for newer markets and a change in pricing policy in export markets.

The parent Company's domestic sale of cement volume stood at 1.496 Million Tons (LY: 1.405 Million Tons). Export sale of cement stood at 1.245 Million Tons (LY: 0.99 Million Tons). The clinker sale volume stood at 0.585 million tons (LY 0.524 million tons).
