**Tender Ref.:** RCC/IDA-01

**Date:** 07 December 2025

**Location:** Raysut Cement Plant, Salalah, Sultanate of Oman

Raysut Cement Company SAOG (“RCC”) invites sealed bids from qualified local and international bidders for the **purchase and dismantling of Line 1 pyro-processing equipment** at its Salalah plant. Line 1 (commissioned in 1983; approx. 700 TPD clinker) includes the rotary kiln, 4-stage preheater cyclones, planetary cooler, alkali bypass system, ESPs, fans, associated process ducts and steel accessories, all offered strictly on an **“As-Is, Where-Is”** basis.

#### **Scope (summary):**

- Preparation of method statements and lifting / cutting plans.
- Provision of cranes, trailers, tools, gas-cutting sets, manpower and all consumables.
- Safe cutting, lifting, dismantling and removal of all Line 1 equipment listed in Annexure I.
- Loading, securing and transport preparation of dismantled equipment/steel.
- Debris management, weighing of dismantled material, and site cleaning/housekeeping.
- Strict compliance with RCC HSE rules and protection of all operating equipment and systems (including Line 4 and shared utilities).

Full technical specifications, scope boundaries and exclusions are provided in **Annexure I – Technical Specifications & Equipment Photographs** and **Annexure II – Scope Boundaries & Exclusions**, which together form an integral part of the Invitation to Tender (ITT).

**Tender Documents:** Interested bidders may obtain the ITT documents by submitting a written request to [tenderdocs@raysutcement.com.om](mailto:tenderdocs@raysutcement.com.om) from **07 December 2025 to 21 December 2025**, quoting **“Purchase & Dismantling of Line 1 Pyro-Processing Equipment – RCC/IDA-01 – Request for ITT Documents”**.
